

A HEART TO HELP OTHERS

Gillian has been a part of TEP from the beginning. As one of our first volunteers with Hugs and Kisses, she faithfully knits beautiful baby hats, mittens of all sizes, and a few other items here and there. She first learned to knit when she was 5 years old, and has used that gift, and her volunteering spirit, to help and bless many others throughout her lifetime. She made sea boot stockings for the Navy during WWII, and countless baby items for little ones in various hospitals, also organizing volunteers in this effort for almost 40 years. The warm things Gillian knits make special gifts for many, and we are so grateful for her generosity, support, and encouragement for the mission of TEP.

SHARING WHAT WE HAVE BEEN GIVEN

We enjoy each part of each effort here at The Encouragement Project. One of our favorite parts is packing up and shipping out/delivering the many warm things that have been handmade for those who will need them this winter, and who really need to be encouraged.

In the past few weeks, we have sent:

- o hats to an Indian school in Montana
- o hats, scarves and mittens to a mission in Romania
- o chemo hats to 10 treatment/infusion centers
- o baby blankets and hats to pregnancy centers

...and we have several hundred more items packed for deliveries over the next few weeks!

And above all these put on love, which binds everything together in perfect harmony.

Colossians 3:14

HAVE YOU EVER WONDERED... "WHAT IF?"

This is a question that most of us have no doubt asked at one point (at least) or another...and there is rarely an answer.

Have you ever turned truth into questions? It is a powerful exercise that can help us see God's truths freshly and clearly, challenging us and enabling a better understanding ...and the answers are always there to be found.

On **October 12th**, TEP will be launching a new video project called "**What If?**" that will be airing **weekly** on social media (Facebook and Instagram) and also on our website.

Our goal with these **one-minute videos** full of questions is to encourage and challenge you (and whoever they are shared with) to know the truth and *to live in a way that reflects it*.

Keep an eye out...they're coming soon!
